I traveled to Kyoto with my family 2 weeks ago. It was the first time for me to go there. We visited 3 places and stayed there for 3 days.

On the first day, we took the train and had a bento lunch. The food was really good and we had a great time. On the second day, we went to Kinkakuji and Kiyomizu temple. We could see traditional Japanese buildings. We also enjoyed the autumn leaves and took some pictures. There were a lot of people there. On the last day, we went to Arashiyama to learn Japanese culture. We put on kimonos and tried green tea. After that, we went to a Japanese restaurant and ate lunch. We talked a lot over lunch and had a relaxing time.

I think that Japanese traditions and cultures are wonderful. I want to show people from other countries around Kyoto.
